We are back from International Convention and I am blowing my whistle. Which way will we go? What will we do?

As we begin a new year in Lionism, let me first thank you, the Lions of District 22-D, for electing me as your District Governor. Being your Governor is indeed an honor and a privilege, and I'm looking forward to working with all of you through the many activities and challenges that lie ahead. I would also like to thank Immediate Past District Governor Mary Lee Phillips for all her hard work and time that she put into making her year - and our district - a success. She accomplished much and we are a better district for it. And....to the Past District Governors for your guidance and support. I could not have made it this far without you.

Our new International President, Joseph Preston, has asked that we serve this year with PRIDE; not by being boastful, but by building our communities, providing meaningful service, and helping those who are less fortunate than ourselves. This is the key to success, not just for this year, but for many years to come.

This is also the year of pulling together and working together – as a team. This means helping each other and putting aside personal feelings for one another at a moment's notice. Let's help our weak clubs become stronger and to grow in membership; a purpose that rises above and beyond our own selves.

As I close out my first article, let me just say: Have a fantastic year and do not forget to have FUN – whether you are conducting business or going about making your community a better place in which to live. Encourage your club to engage friends, family, and community members to participate in your projects. This will give them the opportunity to learn first-hand what we do, the camaraderie we share, and to understand what our motto "We Serve" is all about.

*Cheryl Jones, District Governor*

## From Our Vice District Governors

### Cruise To Service

Hello Fellow Lions, Lioness and Leo's,

To begin with I would like to say congratulations to IPDG Mary Lee for a successful year.

As we begin our new Lions year 2014-2015 with District Governor Cheryl Jones, I am ready to gear up for a new ride blowing that whistle. I am prepared to help and support our new District Governor with plans to keep moving our district forward.

As your new First Vice District Governor, I have received my invitation for the Leader Dog Conference and Visit. Lion Brenda and I are all registered and our airline is booked for the first week in August. We are excited to see and share this experience that everyone has told us about.

I hope everyone is having a great summer with family and friends. The magic word there is family. I know the Lions of MD22-D are working in their communities and doing fundraising projects during the summer but remember to have fun.

We still need to remember the importance of membership. In order to keep our District in good standing we need to continue asking that important question, would you like to be a Lion?

Thanks for letting me serve this great organization.

Yours in Lionism,

James R. Coverdale

First Vice District Governor

### The Power of Service

I would like to take this opportunity to thank my Home Club, the Claymont Lions Club, for supporting me this year as I sought the office of 2VDG. As I visited the clubs in 22D I realized what a great team this District is. We represent the mission of Lions each day with service to our respective service areas. I would also like to take this time to thank each club in the District for their warm reception as I introduced myself as the candidate for 2VDG. I look forward to working with DG Cheryl and FVDG Jim and all the members of 22D as we embark on a new Lion Year.

*Believe in the Power of Service to Others.*

I do and I know you do as well.

2VDG Glenn Williams

## Club Happenings

### Capitol City Lions

Capitol City Lions completed their June 14th Road Clean-up by collecting 7 bags of trash. Pictured from left to right are: Joe Zager, Lion James Cayz, Lion Bill Vidrine, Lion Mel Nace, and Lion Warren Fairness. Lion Denise Cayz also participated and took the photograph.

We collected 237 pairs of used eyeglasses for recycling during June. This brings our total for July 1, 2013 to June 30, 2014 to 2,335.

### Millsboro Lions

The totals for SIGHT TEAM for 2013-14, from Sight Chairperson Jan McCarty, were 75 individuals referred - we will incur no charges for 18 of those. Total support from our club was \$6,308. Three club members, Lions David, Mitch, KL Mary Lee, and one guest, enjoyed the afternoon of fellowship and food; and then an exciting game wherein the Gold (southern) team defeated the Blue team 28-21. And every person (literally hundreds) involved with DRFC (Delaware Foundation Reaching Citizens with intellectual disabilities) was recognized during the event!

Pictured left to right: Lions Mitch, David and KL Mary Lee.

*On a sad note- we were sorry to lose one of our cooks for the Fritter Shack, and board member Lion Ken Sutton, who passed away in June. Our prayers go to Sherry and the family.*

### Newark Lions

**Mission Accomplished!!!** With everyone's help and with great work by Lions Fred and Marilyn Gleber, our annual fundraiser was a wonderful success. We increased this year's prize to \$300.00 thanks to an additional donation from Lion Marilyn. Lion Marilyn's grandson's business, Unique Image, contributed the cost of the tickets. We netted over \$1,200.00 for our efforts. This will enable us to continue to help the less fortunate in our community. This would not have been possible without the help of some former members who are willing to serve when they have the opportunity as well as friends and even students of some of our members. Thank you all.

Congratulations to Tom Smith, who was the lucky winner of our raffle.

## Club Happenings

On June 10th, three Lord Baltimore Lions - Mary Richer, Janet Bauer and Jack Bauer, went to John M. Clayton School to provide pizza and punch as a small reward for students who had earned straight "A's" for the fourth marking period. This project was started through the dedicated efforts of Guidance Counselor Jan Bomhardt and as a result of our Community Needs Assessment done as part of our Club Excellence Process Project. Pictured are some of the happy pizza eaters. The club is looking forward to continuing this project next year.

At left, King Lion Jack Bauer provides pizza to the Straight-A students, and at right Lions Mary Richer and Janet Bauer serve.

It was a pleasure to have our three Indian River High School scholarship winners join us at our June 4th meeting. Each student was awarded a \$1,500 Scholarship.

The scholarships are in memory of Lion Ralph Helm, a member of the Lord Baltimore Club who served as Club President, our District Governor and an International Director of Lions International.

### Lord Baltimore Lioness

In addition to the two \$1000 scholarships given to IRHS seniors Harry Wilgus III and Sara Hickman, the Club has also been able to award a \$500 continuing education scholarship to Erin Clarke, a nursing student at the Margaret H. Rollins School of Nursing at the Beebe Medical Center (Lewes DE).

To: All 22D Cabinet Members  
All 22D Past District Governors

Re: District 22D Cabinet Meeting

Fellow Lions:

You and your spouse/partner in service are invited to attend the **First Cabinet Meeting** of the Lions year 2014-2015. The meeting will be held at the Frederica Fire Hall in Frederica, DE on Sunday, August 10, 2014 at 12:30PM. The meal is scheduled to begin at 1:30PM followed by the Cabinet Meeting. Please contact me if you need directions.

This event will be casual and as District 22-D has done in the past, the meal will be a "covered dish". The meat, drinks and condiments will be provided. Each Lion is asked to bring a covered dish, enough to serve six (6) people, from the items listed below:

**Salad**

**Casserole**

**Dessert**

All district chairpersons should plan to attend the Cabinet Meeting. The Cabinet Meeting should not last much more than an hour and a half. Spouses/partners in service and all Lions are invited to attend Cabinet meetings as a leadership and training experience. There will not be a separate event for spouses/guests.

**ALL committee chairs are requested to submit your report ONE WEEK prior to the cabinet meeting (August 3, 2014). The chairpersons listed on the agenda are expected to give verbal reports, unless they indicate they do not have anything to report. All reports received will be included in the minutes of the meeting.**

DG Cheryl asks that there be no reading of written reports. Please provide a brief summary of your report. If you are not listed on the agenda but would like to speak, please let me know as soon as possible.

**3rd Annual LEO Leadership  
Bash at the Beach**

Thanks largely to Laura Quillen, the LEO advisor for the Indian River High School LEO Club, we are planning for the 3<sup>rd</sup> Annual LEO Leadership “Bash at the Beach”, to be held at Camp Barnes on Sunday afternoon, September 28<sup>th</sup>. We will be sending an invitation to all LEO clubs in Delaware and will be also extending a special invitation to other LEO clubs on the eastern shore of the Chesapeake Bay.

Camp Barnes is located in Frankford, Delaware. It is a wonderfully rural and picturesque site, located on the banks of Miller’s Creek (pictured below.) It is home to a youth camp run by Delaware State Police.

The Fenwick Island Lions Club has agreed to oversee this year’s “Bash”, hopefully with the assistance of other interested Lions clubs in the state—More details will follow, but in the meantime, we wanted to let you know about this event, so you could mark your calendar!

## LITTLE LIONS

### LEO Club in Fenwick Island builds on civic organization's tradition of service

By Olivia Klock  
Staff Writer

Members of the Indian River High School LEO Club have embraced its name of leadership, experience and opportunity by going above and beyond the youth organization's expectations.

Rising IRHS LEO Club President Eliza Bomhardt, who joined the club at the beginning of her freshman year, said it was one of the best decisions she's made.

Now a sophomore, Bomhardt said she originally wanted to join the club to take the opportunity to make a difference in her community. She plans to stay actively involved in the club until graduation and continue helping those in need long after she leaves Indian River.

"There really is so much I can do for these people in need," she said. "It may be a lot of work at times, but making a difference to those in need is the best

feeling in the world, and you definitely won't regret it."

The club is a student-run organization that provides humanitarian service, instills in its membership the importance of such service and offer members an appreciation of the fulfillment and self-satisfaction that comes with serving others, according to the group's website.

The LEO Club was established in 2003, with the Fenwick Island Lions Club as its sponsor. Today, the club is one of the largest at the high school with more than 130 members.

The IRHS LEO Club's activities from the past year included participating in Delaware's annual beach cleanup in Fenwick Island, helping at the Lions Selbyville Halloween Parade and assisting at several Fenwick Island Lions Club fundraising functions, as well as serving at the Lions Visually Impaired

Christmas Party.

Laura Quillen, the club's adviser and math teacher at Indian River, oversees the club's service projects. She has been the adviser since 2009. In addition to her personal gain of getting to know students she doesn't teach, Quillen's favorite part of her role is having the opportunities to see the other side of what is out there in terms of community members in need.

"When you look back on your life, it doesn't matter what you did, but rather, what you did for others," Quillen said. "The time we dedicate to these people and places is worth a lifetime, and I hope to pass that on to all of my students."

Bruce Schoonover, president of the Fenwick Island Lions Club, is not only proud to sponsor and mentor the LEO Club, but is also delighted their countless services have inspired a group of students at Sussex Tech High School to start a LEO Club at their school.

Schoonover describes the Fenwick Island Lions' relationship with the LEO Club as more than simply being sponsors. The Lions are also mentors to the young men and women, Schoonover said. The Lions Club intends to set an example for LEO members for the good that comes from the services they provide, he said.

The Fenwick Island Lions Club is currently composed of 73 members, the oldest of which being 92 years old.

"She can hardly stand, but you will find her at any of our events doing the very most she can offer and then some," Schoonover said. "That is the kind of true passion and dedication we are lucky to have and always look for in our unique group of Lions."

On June 1, the Lions Club hosted an end of the year picnic at Camp Barnes for the LEO Club to thank its members for their services in the community and with the Lions Club's fundraisers.

"I truly believe that LEO Clubs and Lion Clubs are the world's best kept secret," Schoonover said.
